

Platypus Bookmark Craft

Color and cut out your platypus parts. To assemble, glue the bill to the head then set aside. Glue the front feet and tail to the back side of the body. Attach the head (leaving the bill free) and back feet to the front.

Craft adapted from Baker Ross: <https://www.bakerross.co.uk/craft-ideas/kids/duck-bill-platypus-bookmark/>

This activity is part of the Tails and Tales reading program. Sign up now or learn more at: www.knoxlib.org/readcity

A platypus is an amphibious mammal with a unique combination of features—a bill and webbed feet, a beaver-like tail, and fur like an otter! Platypuses are one of only five mammals that lay eggs. Source: <https://kids.sandiegozoowildlifealliance.org/animals/platypus>

To earn your *Fresh Water Badge*, join the *Tails and Tales* reading challenge! If you complete the *Platypus Bookmark* craft, record another hour in your log.
